Steve:

Please see the attached aerials. Each looks familiar to me and are likely to have been transmitted to EPA by McKesson or released to a "non-EPA (non-federal) family". I believe each aerial photo is releasable, but take a look.

Gloria,

As it turns out, I only had one "unsure" email.

And, as Ken from USGS is included in the cc's, I am converting this from unsure to releasable.
